For those wishing to retire in delightful surroundings and get away from the extreme cold and heat of the prairies or too much wet weather of other sections of the mainland this area should be given serious consideration. Any reader on the "outside" wishing more information regarding any particular spot on the Saanich Peninsula or Gulf Islands, with a view to eventually coming here to live, is invited to write us. All information we can possibly give will be cheerfully furnished free of charge. Drop us a line today, don't put it off any longer. Every effort is being made by the members of the Women's Guild of St. Andrew's to make their sale of work on Thursday, Nov. 25, a success. A fancywork stall will be in charge of Mrs. S. YOUNG PEOPLE ENJOY ADDRESS

By Review Representative
PENDER ISLAND, Nov. 18.—On Friday evening the Young People's Society enjoyed a very interesting address by Mr. T. W. Fry on his recent trip to the Old Country. This week a debate is being put on, the topic being, "Resolved that the world is getting better."

So far no trace has been found of the body of the Japanese fisherman who was drowned off the fishing fleet in Swanson Channel two weeks ago.

In the storm last Thursday a tug lost her tow of logs in Navy Channel and spent the next few days gathering them in again from nearby shores.

Mr. and Mrs. F. C. Smith are receiving congratulations on the birth of a son on Nov. 8th at the Jubilee Hospital, Victoria.

Mr. and Mrs. P. W. Garret spent a few days in Victoria this week.

Mr. and Mrs. Wm. Pierce and children, of Britannia Beach, have been visiting Mrs. Pierce's parents, Mr. and Mrs. Richard Roe. Mr. Pierce returned to his work on Monday.

Mr. and Mrs. H. G. Scott and the Misses Scott left for Victoria on Monday from where they will leave for England, after having spent a very enjoyable summer with their brother and sister-in-law.

A junk bop near a railroad crossing in Denver carries a sign with this hint to motorists: "Go ahead; take a chance. We'll buy the car."

Grand Entertainment by Pathfinders' Club Here Next Wednesday Night

The outstanding event of the season in the form of a grand concert, under the auspices of the Pathfinders' Club will be held in the Auditorium, Sidney, Wednesday, Nov. 24, at 8 p.m.

The feature of the occasion will be the choral recital by a choir of 30 voices from the First Baptist Church, Victoria, under the direction of Mr. F. J. Mitchell, in which the "Song of Thanksgiving" (Mauder) will be rendered. This musical triumph consists of choruses, trios, duets and solos and was very successfully rendered in Victoria during the recent Thanksgiving festival. Because of this success the Pathfinders' Club is fortunate in gaining the assistance of this splendid choir, which is giving its services in aid of boys' work in the Sidney district. The boys will contribute several items themselves to the evening's entertainment, outlining their program and putting on a few stunts. It is to be hoped the people of the district will avail themselves of this opportunity to support boys' work in this district.

SUGGEST DEPOT FOR SOLARIUM

It has been suggested by a number of our readers that a receiving depot could be arranged for where small jars of preserves, jams, pickles, etc., might be left for the Solarium. It was pointed out that many households could spare such items from the shelves of their larder without any outlay of money, whereas many might not be able to afford to give to bazaars, concerts, dances, etc., that are given for that cause from time to time, and would still like to assist the Solarium. If any of our readers should be interested in such an idea, we could put them in touch with others already interested and perhaps by all getting together some such like scheme could be figured out.

BAZAAR AND COUNTRY FAIR ADDS \$400 TO N.S.S.C. FUNDS

The grand bazaar and country fair held in the clubrooms of the North Saanich Social Club, Friday last, was a most successful and enjoyable affair and was carried out in a very efficient manner by the enthusiastic members.

The hall had been beautifully decorated for the occasion, the decorating scheme being that of the Misses Amie and Katie Lorenzen and Miss May Bawden, who certainly displayed good taste. The artistically arranged stalls around the room were connected with trellis work, the lattice work about the stage being entwined with foliage and autumn flowers, while the club colors of blue and yellow were used everywhere, the whole elaborate affair being admired by the patrons, and many favorable comments were heard.

The affair was formally opened at three o'clock by Mrs. W. Spencer, who, in a few words explained the purpose for which the bazaar was being held, and congratulated the club on the excellent arrangements made, and the co-operative spirit displayed by the residents of the district, culminating in such a fine display of goods. At the close of her address, Mrs. Spencer was presented with a beautiful bouquet of flowers by little Miss Joan Thomas.

Tea, under the convenship of Mrs. Ricketts and Mrs. Hill was served

all the afternoon in the large marquee especially erected for the purpose, at dainty tea-tables centred with bouquets of white chrysanthemums, by Misses Dorothy Norbury, Gladys Ricketts, Alma Gurton, and Adelaide Toomer.

During the afternoon piano solos were played by Miss Molly Clark and Mrs. H. Horth and a violin solo by Miss Elsie Chancellor while Miss E. Nimmo and Miss Kathleen Lowe sang several solos.

The fancywork stall, which was laden with beautiful hand-embroidered articles, was in the capable hands of Mrs. F. Chancellor and Mrs. George Clark, who did a brisk business all day. The home-cooking stall with its appetizing odors and delicious cakes and pies was in charge of Mrs. C. Wilson, Mrs. Tuttle and Mrs. MacAulay, who did a rushing business. The plain sewing stall was in charge of Mrs. B. Readings and Mrs. C. A. Frost, who displayed a large variety of useful articles. Mrs. J. Readings and Mrs. Sansbury looked after the touch-and-take table, which yielded up a host of surprising novelties, and formed a pleasant diversion for young and old. Mrs. Toomer did a rushing trade at the ice cream stall during both afternoon and evening. Mrs. Lorenzen had charge of the fortune telling booth where exciting for-

"Poppy Dance" Was A Big Success on Thursday Last in the Berquist Hall

North Saanich branch of the Canadian Legion held their first annual "Poppy Ball" in Berquist Hall on Thursday evening, Nov. 11.

About 150 guests attended and dancing was enthusiastically indulged in until one o'clock, when the dance broke up, everyone going home feeling that the affair had been a great success.

The hall had been prettily decorated with black and gold crepe paper, flags and poppies were in evidence in every part of the hall.

Kinloch's four-piece orchestra provided the music for the dancing and were very generous in response to the many encores. The supper extras were played by Mrs. Geo. McLean and Raymond Brethour.

In the dining-room supper was served at individual tables, each being centred with shell cases filled with scarlet poppies, the wives and friends of the members of the Legion being in charge. The committee in charge of the dance, Messrs. Smith, Hoare, Gilman and Gray, are to be congratulated on the success and excellent manner in which all arrangements were carried out.

PARENT-TEACHER MEETING

The meeting of the Parent-Teacher Association took place in the school Tuesday, Nov. 16, there being a very good attendance.

The question of the fancy dress party was fully discussed. A full report of same will be given in next week's paper.

After the business was concluded a very enjoyable social time was spent by all.

Flivver Somersaults — Its Occupants Not Injured

By Review Representative
GALIANO, Nov. 16.—On Friday Mr. Oswald New had a narrow escape when driving with Mr. O. Hardy from the wharf when his Ford slid down a somersault. Luckily they crawled out unhurt although the windshield and hood were badly smashed. Soon a friendly farmer was on the scene and they were enabled to proceed happy on their way.

A concert will be held in the hall on Friday, Dec. 3, when Miss Hicks, Miss Ida New and Mrs. Wain will appear.

An interesting meeting took place in the hall when a number of ladies were also present. Mr. A. Cuyper acted as chairman and Mr. P. Scopes secretary. Christmas arrangements were discussed and it was decided to hold a children's party for which a committee of ladies were chosen.

Don't leave that Christmas card order until the last minute! Call at the Review office and let us have your order now.

FRUIT GROWERS ORGANIZATION IS NECESSARY

By Review Representative
SAANICHTON, Nov. 18.—Fruit growers are greatly interested in the report of a tour of the Saanich Peninsula made by Mr. R. D. Pinneo, port development expert, in company with the Rev. M. W. J. Bruce, president of the Saanich Board of Trade.

Mr. Pinneo would seem to be of the opinion that with the development of a growing market for fruit and the provision of strategically placed canneries to take care of surplus fruit, growers could be encouraged to aim for greater production and a high quality product, which would place the whole Peninsula on a sound basis with regard to fruit production.

With most farmers at present, with small fruits it is a game of in and out and up and down, mostly down.

No industry can prosper without a policy of expansion, improvement of product and the development of more efficient methods of production.

CONSERVATIVE DELEGATES

Recent meetings have been held by the Liberal-Conservative Associations throughout the Islands, electoral district and the following have been chosen as delegates to attend the provincial convention which will be held at Kamloops on Tuesday, Nov. 23: Messrs. A. Harvey, G. Spearin, Major F. C. Turner, D.S.O.; Wm. McAfee, A. J. Eaton, H. C. Layard, John Thompson, Spencer Percival and Capt. G. Maude. There is yet another member to be appointed from Sidney.

DEEP COVE CLUB GETTING ACTIVE

By Review Representative
DEEP COVE, Nov. 18.—The Deep Cove Social Club held their regular weekly card party in the club hall on Monday evening. There was a good attendance of members and other friends, who spent a most enjoyable time at progressive 500, which was played at eight tables. The ladies' first prize was presented to Miss Evelyn Mosses who won the cut from Mrs. Quartermaine, and the gentlemen's prize went to Mr. Low North. At the conclusion of the game refreshments were served by Mrs. Alan Calvert, assisted by Miss Dorothy Calvert.

A military 500 drive will be held in the Deep Cove Club Hall on Monday, Nov. 22, at 8.30 o'clock. There will be first and second prizes, refreshments and dancing. The lady members will please bring refreshments and those wishing to reserve tables will please phone 26M.

Mr. John Copithorne returned home Saturday after spending the past three months at his ranch near Calgary, Alberta.

Mrs. Jack Copithorne and two children, of Calgary, are making an extended visit to relatives at the Coast and are guests of Mr. and Mrs. John Copithorne.

Mrs. Wm. Alder returned home Saturday after spending the past week in Vancouver.

Birthday congratulations to little Dorothy Beattie, Friday, Nov. 12—ninth birthday.

"ETERNAL TWO" DANCE

The "Eternal Two" will hold their first dance of the season in Berquist Hall on Friday, Nov. 26, commencing at nine p.m.

"Looking Backwards"

1918—1926

In Reverent Remembrance

Eight years ago today the order rang—Cease Fire!
Strong men of courage stood as if struck dumb.
No more need, then, to advance, or retire,
Or dread the Fokker's deadly purring hum.
Great tears rolled down cheeks of seasoned warriors,
As they, then safely, gazed o'er No Man's Land,
Whilst others in their hearts gave thanks to Providence
Or earnestly shook comrades by the hand.

The Youthful ones went wild—and little wonder,
With joy! that "Great Uncertainty" was past.
Now hushed that belching voice, the cannon's thunder!
Asleep the Screeching Shell's unnerving blast!
The Gods of War had tired of the Carnage,
The Gates of Hell had Swung to with a Snap!
Our "Glorious Dead," "Those Ne'er To Be Forgotten,"
Lay cuddled in Old Mother Nature's Lap.

O, God! what valorous deeds those Dead accomplished,
O, God! Thou knowest what Sufferings they endured—
For what? That we, the thankful ones now living,
In future from such Wars should be insured.
O, Canada! Thy Name's Engraved For Ever
With tools of Human Blood, on "Vimy's Knoll,"
Thy "Native Sons" Names—aye, and thy "Adopted,"
Will live for all time on War's Honor Roll.

Great Britain, Thou Little Mother of Peaceful Nations,
Thou art ever stretching out thy Motherly hand,
Helping others to Solve queer Situations,
Some times at Sea, at other times on Land.
Your heart is warm to those who would be friendly,
You are tolerant to those who would be foes.
Your Flag, the "Union Jack," means Manly "Freedom"
And "Justice" for the weak, where e'er it goes.

SIMPLICITY OF A GOOD TOWN

Put a peg of prosperity into your community by staying with it.
Always greet your neighbors with a grasp of confidence. Criticize in the spirit of Godspeed.
Say a good word if it hurts. Remember that those who insist on hanging themselves will do it if given enough rope.
Give your neighbor a right to an opinion as long as he keeps it to himself.
Discuss questions involving your better welfare instead of arguing with them.
Apply the Golden Rule regardless of consequences.
Back up your churches and relative affiliations. You will feel better and besides are setting a good example for the young people.
Give the young people plenty of pleasure, but see that you know what they are doing.
Failures reflect on the entire town. See what you can do to keep your neighbor on top of the water. Don't let him drown.
Let's have more handshakes and arm in arm conferences with a good will parting. It adds to that day's events.
Let's break the shell and step out. The world is wandering what we are going to do next. Let's show 'em.

Some of those who are so enthusiastic to show their patriotism, insisting that everyone stand up when God Save the King is played, are just as lax when they remain away from the polls at election time. A good patriotic citizen never forgets the duties prescribed by the constitution, and always exercises his right of franchise.

BUSINESS SLUMPS

Elbert H. Gary, chairman of the U.S. Steel Corporation, who has just observed his 80th birthday, remarks that he is convinced that there is no need for any business slumps at any time. Many of us here on the Saanich Peninsula and Gulf Islands will agree with him, and will ask why we need to have every few years these distressing periods of depression?
But, to avoid them, people must avoid the causes of such slumps. They must stop putting money into hazardous speculations. They must save a reasonable amount of money right along, so that the banks will have plenty of funds in case of credit strain.
The business man must be enterprising and advertise his goods, for business will lag unless people have push and go ahead spirit. And the workers must be industrious, or else production will cost high, and the people will be deterred from buying goods by unreasonably high prices.

In an interview in the current issue of the Youth's Companion, Thomas A. Edison says that moving pictures should be added to the equipment of schools. The moving picture can be made a great force in education. Its possibilities can be wisely directed and much good will result, possibly enough to offset the harm that results from cheap sex pictures.

WHAT ONE GOSSIP GOT

We hope all the gossips read the story from Savannah, Georgia, telling of the conviction of a woman there for defaming another's character. One woman talked about another, as some women—and men, too—have a habit of doing. The lady talked about took the matter to court and asked the talker to prove it. Of course she couldn't; she said she was only repeating what she had heard others say, but could not produce the others and was fined \$200. That's fine. We would like to read of more convictions in these kind of cases. It might cause some people to find out what they are talking about before they start talking.

The ladder of life is full of splinters but we never realize it until we begin to slide down. Keep climbing!

NICKLES AND MILLIONS

The five cent package is still piling up great fortunes. The five cent chewing gum has its millionaires, and the five cent spool of cotton has made a bunch of millionaires. There is a great deal in finding something of popular demand that can be carried to quantity production, marketed economically with production costs being held down.

An ideal is something a man would like to pursue, but never has the time or means for putting it into practice.

NEARING THE END

When you have reached that period of existence when you have become unbiased, unprejudiced and openminded, then you will hear members of your family say that all has been done for you that science knows, and the papers will give an account of your funeral rites within a short time.

YOU ARE A CITIZEN, BUT WHAT SORT?

- 1.—Have you ever told a lie to avoid jury service?
 - 2.—Have you ever visited your child's school?
 - 3.—Do you ever throw a tin can, bottle or old newspaper into the public street?
 - 4.—Do you ever pick up a bottle or newspaper from the street and throw it into a trash box?
 - 5.—Do you leave voting on election day to those who have nothing else to do?
 - 6.—Would you refuse to represent your ward in the council or a political committee and let an inferior man have the job?
 - 7.—Do you go to any trouble to find out the qualifications of rival candidates for your constituency?
 - 8.—Do you vote for a member of parliament largely because you have nothing against him and because he once sent you a package of radish seed?
 - 9.—Do you annoy busy public officers with requests for favors of value only to yourself?
 - 10.—Do you persistently kick to the manager of your moving picture theatre and urge him to show better and more interesting pictures?
 - 11.—Do you take a swig from a jug in your chifforobe, sit down and read in your newspaper where a drunken car driver ran down a child, and then proceed to cuss the flagrant and growing disregard for law?
 - 12.—Are you as considerate of others while driving your car as you are while walking on the sidewalk?
 - 13.—Which do you give the Board of Trade, an excuse or a cheque?
- Most of us can think readily of many qualities that the good citizen should have, and cheerfully recommend to the other fellow that they be acquired. But practicing those things which make a good citizen seems rather beyond the point of most of us.

With Florida exposed to hurricanes and California subjected to earthquakes, tourists will possibly come to the conclusion that Vancouver Island is the best place after all.

DON'T TOUCH OUR PHONES!

A new invention, declares a United Press report from Paris, will soon enable a telephoner to see the telephone as they talk together over the wire.
This is a terrible prospect, and is causing consternation among:
1.—Husbands telephoning that they're sitting up with sick friends and won't get home until morning.
2.—Girls, not yet dressed, powdered and curled to go out with their steadies, and who must answer the telephone when it rings or miss out on a good time, and,
3.—Any number of social white-liars, who telephoning from the country club, just can't come to their friends' bridge or other parties because relatives from out of town are arriving —"you know how it is."
Let's keep our telephones just as they are now. Inventive genius can go too far.
Even in this day of equal rights few women think enough of their husbands to carry large life insurance policies.

WITH OTHER CANADIAN EDITORS!

CENSUS AND RACE

(The Cowichan Leader, Duncan, B.C.)
The Brantford Board of Trade has sent a circular to all boards asking support for their proposal that Canadians should be designated as such on census lists. The Duncan board laid the matter on the table for further consideration.
Investigation of the intricate problems raised by this apparently simple suggestion resulted in a report to the New Westminster board that Canadian nationality could not be established by this scheme. "If it were carried out it would mean that Orientals born in Canada, as well as native-born children of naturalized citizens would be classed as Canadians, and in this way no record would be kept of these classes."
It took many centuries to form the English breed but its constituent parts are all white. Yet even today one may trace between people in various parts of that small country, differences due to the varying nature of their racial mixture.
A Canadian race cannot be established by act of parliament. We understand that the Americans have not attempted this feat and that, in taking the census, they require a statement of the racial origin of every American citizen.
At the time of census taking this question was greatly debated by some sections of the eastern press. Much trouble could doubtless be avoided if census takers were more tactful. Broadly speaking, every resident in the Dominion is a Canadian by birth or by domicile. Those who have seven or eight generations of Canadian-born parentage quite naturally think that there should be a Canadian race.
But, while we may concede the claims of the Maritimes and parts of Ontario, they cannot be forgetful of the fact that Canada's population can be roughly divided into three almost equal parts, of British, French and foreign origin.
The Manitoba Free Press is sometimes accused of being ultra nationalistic, but it is not blind to certain facts. Mr. Michael Luchkovitch has been returned to parliament for Vegreville, Alberta. He is the "first Canadian member of the House of Commons of Ukrainian stock." The Free Press says that his rise is "an indication of the gradual forming of the amalgam out of which will spring the Canadian race."
We are at the amalgam stage. Boards of Trade might be better occupied by seeing that in future there is a bigger British mixture in that amalgam than by trying to define something which is not yet definable.

THE SCOTCH TONGUE

(Fraser Valley Record, Mission City, B.C.)
Has an Englishman any license to sing Scotch songs? We were asked this question a few days ago by a crank on the Scottish tongue. The answer is "No." A Canadian-born person may imitate the Scotch tongue but an Englishman never. It is a physical impossibility with him. He may deceive a non-Scotch person, but he cannot put it over on a man from the land of Burns for the fraction of a second. His "transcription" is not natural; there is a foreign element attached to his voice that robs the song of its native charm, and leaves it barren of results. A foreigner may learn to speak English that he may be understood thoroughly, but there is always that about the tone of his voice and his misapplied accents that would give him away in the dark or at the other end of a telephone wire. His version is not English and never can be.
No Englishman can pronounce the word "kilt" properly. His pronunciation is a very refined and aristocratic sort, but it's not "kilt." The moment the word escapes his lips he is betrayed. The Englishman should adhere to his admirable English and leave the admirable Scotch to the Scot.

A Galiano motorist on a trip to "interior of the island," needed some water for his car. He pulled up in front of a farmhouse in backwoods region, and had just started to make his request when a boy came around the corner of the house.
 "Jim," asked the farmer, "did you drive up them cows like I told you?"
 "Sure, I did, pop."
 "Get 'em all up?"
 "Yep."
 "Count 'em?"
 "Yep."
 "How many was there?"
 "One."
 "That's right."

Geo. Spencer says Ichabod Crane was not the only fast rider that lost his head.

The person who walked across the street was once called a "pedestrian." Now unless he can hit a livelier gait, he is commonly called "the deceased."

Jay walking is not a bird dance.

Optimism is the ability to speak of "my car" in the face of a chattel mortgage, six payments still to be made, a bill at the garage, and provincial license-plate time just around the corner.

"Come, I'll show you."
 The interested inquirer, following him, was shown a Ford drawn by four oxen.

The New Immigration in Canada
 L—Sturdy Scotch family, recent arrivals in Canada on the G.P. liner "Montclair."
 L—An excellent type of settler for the Canadian west.
 the spring of 1926 was essentially a new immigration. In explanation he goes on to say:
 "The years since the war have served to bring out a virtual revolution in nearly every phase of the matter, as actually for the first time immigration became a public question, and was realized to be of first national moment. Immigration to Canada in the years before the war might roughly be compared to a broad stream pouring into the Dominion and spreading out uncontrolled in all directions.
 "The war ended, and a great popular influx from Europe was expected for Canada. It never took place, largely because the trend was discouraged at the outset. Canada—unlike Australia—then regarded immigration as a possible fresh problem instead of an economic remedy. The Canadian Pacific Railway which, in expectation of a heavy post-war movement had organized a colonization department, most keenly appreciated the change which had come over conditions in general throughout the country and the necessity of taking a different view of immigration. The days of surging flow had passed, probably never to return in the same way, and in any case such an unhampered inundation was hardly desirable."
 Mr. Chénaut then describes the great immigration work being carried out by scores of immigration societies in Canada which came into existence through the new interest of the Canadian people in immigration. As the result of supervision through these many societies the type of immigrants to Canadian shores was greatly improved. "With the various channels beginning to act," continues Mr. Chénaut, "each pouring its trickle of new life blood into Canada the railway—equally solicitous as to keeping these people in the Dominion after arrival—directed attention to the other end of the horn, and set about turning the new popular interest in immigration to practical account. People attracted not alone by the national good, but also by a pride in their own locality and a desire to see it prosper and expand, had merely to have the means pointed out to them in order that their natural sympathy for the newcomers might take practical form."

THIRTEEN YEARS AGO

Taken from the Sidney and Islands Review of Nov. 14, 1913.

The ten-mile annual road race run under the auspices of the Sidney Amateur Athletic Association on Saturday, Nov. 8, for the championship of Vancouver Island was won by Ira Brethour in 57 mins. and 34.5 secs., which was a new record for the course. Tarah Singh, a Hindu runner, finished second in 1 hour, 4 mins. and 41 secs., nearly eight minutes behind the winner. Albert Gerhke was third in 1 hour, 10 mins. and 12 secs. W. Lait was fourth in 1 hour, 12 mins., whilst Elmer John, another starter, did not finish, the pace proving too hot for him, and he gave up 1 mile and a quarter from the start, Mr. North, at 3.30 p.m., when he sent them on their long run. Elmer John took the lead from the start, with Brethour and Singh following close behind, Gerhke and Lait bringing up the rear running together. The men retained these positions for about 1 mile and a quarter, when Brethour made a spurt and passed John. . . .

Some time ago the Board of Trade took up the matter of better transportation facilities with the management of the V. & S. Railway and as a result the committee that had the matter in charge have been informed that the request has been granted. . . .

On Thursday evening the Social Club of Sidney held another of their very popular entertainments in Berquist Hall and although the weather was a good bit cooler than usual it did not prevent a large number of the members from turning up to enjoy the evening's entertainment. The program for the evening was entirely composed of dances and the excellent music supplied by Miss Cochran added much to the pleasure of the evening. Among the guests of the evening were Mr. and Mrs. Halseth, who have just returned from their honeymoon trip. Needless to say the popular young couple received many congratulations and good wishes. . . .

Sidney Public Reading Room was formally opened Tuesday evening. Prominent business men of the town delivered addresses in honor of the occasion in the rooms opened on Second Street. The young ladies of the Basketball Club were the promoters of the movement and received congratulations from the speakers of the evening. The rooms are in the house of Capt. Sears, opposite the Sidney Bakery on Second Street. Quite a representative gathering of the Sidney people turned out for the occasion. Much credit is due the young ladies of the Basketball Club. . . .

"The Floral Route to the West"

Gardens and Fountain at G.P.R. Station, Kamora, Ont.

The task of beautifying the lines of the Canadian Pacific Railway across the Dominion is increasing to a great extent each year. The importance of horticultural work to all its branches has been realized and according to plans, recently formulated by the Floral Committee of the Canadian Pacific, the work will be greatly extended next spring. Already 1800 parks and station gardens have been constructed along the lines. "The Floral Route to the West" is the name by which the Company's garden system is known. Years ago John Caesar became station master at Markdale, Ontario, one of the first stations to be officially opened by the C.P.R., after taking over the Toronto and Bruce Railway. His love of flowers prompted him to plant a little garden at his station. From this evolved a three thousand mile route of blossoms.

One of the problems with which the Floral Committee have to contend is the great difference in climatic conditions of the sections through which the lines run. It has been found that the Iceland poppy will grow in profusion at Lake Louise and today the Iceland Poppy at this famous mountain resort is known the world over. On the route from North Bay to Port William the country is very rugged and the climate severe. Here it has been found that the pansy plant, which is biennial, is most suited to the climate. Thousands of these plants have been placed along the lines in this section each year. Red Rambler Roses have taken a prominent

place of late as they bloom all summer and require little attention. In fact, a careful study of climatic and soil conditions is being made by the Floral Department of the Canadian Pacific. The interest in the work taken by the employees of the Company is manifest in the wealth of beauty to be seen at the stations on the lines across the Dominion. The beauty to which C.P.R. stations have been an inspiration to many townspeople to beautify and improve the appearance of their homes.

Each year cash prizes are given to the station masters producing the best results, which has a stimulating effect on enthusiasm. However, it is not always the finest gardens that are awarded the prizes. Many features are considered in judging them, such as the form of layout, quality of the soil and the quantity of personal labor involved in obtaining the results.

AT AUDITORIUM

Anna Q. Nilsson returns to the delightful boyish garb of "Ponjola" in "Miss Nobody," which will be shown at the Auditorium Theatre, Sidney, Friday and Saturday nights at eight o'clock this week.

In "Miss Nobody," however, Miss Nilsson is not the polished English gentleman of "Ponjola." She is a hobo. Determined to strike out for herself rather than be dependent upon the generosity of worthless friends after her father's fortune goes by the board, she turns to vagabondage.

A new vista opens to her as she penetrates behind the grime of her new-found, unkempt associates and learns their histories. And by the same token, screen patrons are given a new insight into this stratum of life. A class usually looked upon as shiftless and wilfully indolent is pictured as possessing in their natures an unsuspected poetic side, which attunes their hearts to the beauty of nature.

Anna Q. Nilsson

Miss Nilsson is surrounded by an interesting coterie of featured players in this production, with Walter Pidgeon, a prepossessing newcomer, as leading man.

Mitchell Lewis, Clyde Cook and Arthur Stone are seen in hobo characterization. Also in the featured classification is Louise Fazenda, contributing the flapperish type of role in which she stands quite alone.

Notable among the remainder of a large cast are Anders Randolph, Claire duBrey, Jed Prouty, Caroline Rankin, George Nichols and Oleta Otis.

"Miss Nobody" is an adaptation of the celebrated Tiffany Wells' novel, "Shebo," which achieved enormous popularity in book and serial form.

Lambert Hillyer's excellent direction is apparent throughout "Miss Nobody." Wid Gunning exercised editorial guidance. It is a First National release.

Here and There

Lethbridge—Ready made irrigated district has surely broken all wheat records with a yield of 72 bushels of Turkey Red winter wheat to the acre on a 37 acre field. This unusual feat was achieved on the farm of Armour and Brimble.

Honey from Ontario, in competition with exhibits from all parts of the world, was awarded first and second prizes at the British Dairy Show held recently in London, England, according to a cable received by the Ontario Honey Producers' Co-operative Ltd.

Vancouver.—A giant merger of timber interests in British Columbia, Washington and Oregon, involving \$400,000,000 of capital, is likely to eventuate from plans now under way, according to "The Daily Province." Several of the British Columbia mills—a quarter or a third of the whole—are said to be favorably inclined to the amalgamation.

YOUNG PEOPLE WILL PRESENT PLAY IN SIDNEY NOVEMBER 30

The Young People's Society of the South Saanich United Church, after many weeks of strenuous preparation, have now ready for presentation a fine three-act comedy entitled "All on Account of Polly." No pains have been spared to bring this play up to the high standard set in the presentation last year of "Deacon Dubbs." All who saw that splendid comedy last year, and those who missed it but heard of it, will look forward to this new comedy and keep open the date: Tuesday, Nov. 30, in the Auditorium, Sidney. More details next week.

LADIES' AID MEETING

The Ladies' Aid of the United Church held their monthly business meeting Nov. 10th at the home of Mrs. J. Ramsay. A goodly number of members were present and in the absence of Mrs. Hill Mrs. Taylor filled the position of treasurer. At the close of the business session Mrs. Ramsay and Mrs. Douglas, who were joint hostesses for the afternoon, served tea. The next place of meeting will be at the home of Mrs. Holands, Third Street.

Nova Scotia Noted For Its Hunting Facilities

616 BULL, NOVA SCOTIA

CALLING MOOSE

BEAR ARE PLentiful IN NOVA SCOTIA

Reports of excellent big game hunting in Nova Scotia this season have been received at the tourist department of the Canadian Pacific Railway in Montreal. Hunters have returned with tales of super-moose, seemingly endowed with more than usual cunning, thus adding to the interest in this sport. A large section of the interior is a maze of beautiful lakes, woods and streams where moose are plentiful despite the fact that about 1,200 bulls are killed by hunters each year between October 1st and November 15th, the open season. Cow moose and young calves are protected. Water approaches to the hunting grounds are but a short motor-ride from Digby and Annapolis Royal on the Dominion Atlantic Railway.

Many hunters penetrate the wilderness by canoe from south Milford at the head of the Liverpool chain of lakes, or by motor truck which

transports hunters, guides duffel and canoes to Kegonsakoo and other hunting grounds. Some of the best guides are the Miama Indians, there being also plenty of efficient white guides at Del Thomas's South Milford Camp and Kegonakoo.

Not one bull moose may be bagged each season by a hunter. The majority of moose are killed each year in 13 of the 18 counties. Moose and caribou are plentiful on Cape Breton Island but the hunting of these animals at the present time is prohibited on the island. Bear and wildcat, for which there is no closed season, roam the woods of Nova Scotia. Ruffed grouse, woodcock, snipe, wild geese and many other varieties of small game are plentiful and afford the hunter every opportunity of an excellent hunting holiday. The province too is a mecca for the angler. The many streams and lakes abound with salmon and trout. Off the coast tuna, cod, haddock, pollock and flounder fishing is extensively indulged in.

tunes were told, revealing many dark secrets of the past, and giving others a glimpse into the future. The attractive candy stall in the centre of the room was well looked after by Mrs. Lambert and Mrs. Gurton. A substantial supper was served from six until eight o'clock in the marquee by Mrs. J. Hill and Mrs. L. Ricketts, who were assisted in serving by Misses Dorothy and Nesta Carter, Molly Clark and Lillian Tuttle, who were all attired in blue dresses with yellow caps and aprons.

The feature contest which introduced the carnival spirit to the afternoon and served as a general means of introduction and getting acquainted was in the capable hands of Miss Irene Frost.

On the stalls being all sold out in the neighborhood of 8 o'clock the hall was cleared and dancing opened at 9 o'clock, and notwithstanding the fact that all participating were tired with the day's efforts, the club's six-piece orchestra, furnishing musical numbers, soon had everyone stepping and the floor was crowded with enthusiasts.

No. 318, in the person of Mr. J. Love, 2548 Graham Street, Victoria, was the happy possessor of the doll's model bungalow.

As a result of the day's efforts the club funds have been augmented to the extent of \$400.

The Ladies' Auxiliary of the club, who had entire charge of the fair and bazaar are certainly to be congratulated on the success of their efforts.
